

2nd Meeting Agenda

(Bremen, 24th and 25th May 2011)

Objectives

- To present results of the works agreed in the kickoff meeting related to WP1, WP2 and WP5
- To agree the final version of related deliverables.
- To exchange about the first approach to the Pedagogical Model and the methodological tools, materials and resources will be needed to implement KPE in the current practices in MAI, BLVSS and in German VET Schools.
- To determine what will be the requirements of adaptation of KPE (taking into account technological and financial constraints).
- To agree a Work Plan to develop/produce or finalize the Pedagogical P&PBL Toolkit (deliverable of WP2)
- To agree a Work Plan for adaptations and technical Implementation (after adaptation if it's needed) of KPE and elaboration of the User's Manual (according to the changes), and training user's session.
- To agree a dissemination strategy
- To solve questions related to financial justification and administrative procedures
